AND THE LIBERTY ROAD RECREATION COUNCIL  
PRESENT

## RANDALLSTOWN SOCCER

In-house program. The Liberty Road Recreation and Parks Council offers soccer for interested youth between the ages of 5 and 16. This program emphasizes, particularly for younger children, small-sided games providing the players with maximum opportunity to handle the ball, build skills, and experience the fun of recreational soccer.

In order for the kids to become good soccer players, they must acquire basic skills. They must learn how to control the ball and make it go where they want it to go.

Throughout the season, we are going to teach your kids the six basic skills of soccer, which are passing, receiving the pass, dribbling a ball, stopping the ball, changing direction with the ball and shooting the ball.

Prior soccer experience is helpful but not necessary to play. Knowledge of other sports like basketball and football may be helpful.

**WALK IN REGISTRATION** will be held at the Recreation and Parks office at Deer Park Middle Magnet School, 9830 Winands Road, Randallstown, MD 21133, Saturdays from 12:00p.m. to 1:00p.m. September 6 and 13, also on the field when the season begins.
